Audax Annual Award Application Cumulative Distance

This award recognises the cumulative total of Audax or randonneuring kilometres ridden in a single season. Award distances are:- 1,000 km; 2,500 km; 5,000 km; 7,500 km; and 10,000 km. Only the nominal distance of a completed ride counts towards the cumulative distance. As these awards recognise total riding achievement, all brevet types (with the exception of Brevet Raid) are accepted. Up to 20% of the kilometres claimed may have been ridden overseas as part of events homologated or recognised by RM, ACP OR UAF affiliated clubs. One award per season only (eg: 8,500 km total earns the 7,500 km award only). Riders may only apply for the highest award for which they are eligible.
