
AUDAX

Perth Region

June 2005

Happenings,

- Our condolences to Ken Ward whose wife Joyce passed away recently. Our thoughts are with you Ken.
- Best wishes from us all to Brian Hawes who is having a few health problems at the moment.
- A lucky escape for Maurice “the flying Scotsman” who was side swiped by a truck recently, no bones but many many bruises.
- Rod Marston (0413 984 771) has booked accommodation at Guilderton Caravan Park for the weekend of 25th/26th November 2005. Your early contact to Rod to confirm your attendance would be appreciated. (Not to mention your money). Guilderton Park is 100k North of Perth on the coast at the mouth of the Moore River, with 10 brick chalets & 90 caravan sites.
A good time guaranteed to all.
- A recent UK Cyclist Weekly had a report on the 7 ages of cycling – it seems that you are on the slide when you can remember details of the 1958 Tour de France but forgot what you went up to the shops for or think you are pushing 54x14 gear when it is actually 42x24 or you refer to “evens” as 20kph and not 20mph (32kph) as in the past.
- The WA Audax Bike vest is coming – watch this space !

.....Enjoy you're cycling

Ralph Morgan

RIDES

50/100k	Coastal Cruise very hot day 12 started and finished – head winds home.
100k	Dupuy Dawdle perfect warm morning up to the hills, 12 starters and finishers. Everyone home in 4 1/2 hours or under.
200k	Around Hopelands fine cool day with a few showers up in the hills. First rider back in 8 1/2 hours, most of the 10 riders in 9 1/2 hours and everyone back in 10 1/4 hours on a tough course well done.
100k	Ron Masterman Memorial good conditions with a light east wind, 10 riders and all back in 4 1/2 hours with a surprise visit from Ken Jones.
300k	Through the Wheatland's, 5 hardy souls all relative new comers and very enthusiastic – head winds out to York and no tail wind home from Brookton, but quite a bit of cold rain. This is a tough one with a sting in the tail up to Kalamunda after being suitably fortified at the Karragullen Pub. All back in 15 1/2 hours.
